

WELCOME TO THE SECOND ANNUAL NONPROFIT RESOURCE DIRECTORY

Our job is to make life easier for nonprofits by serving as a one-stop shop for information and referrals. We love connecting nonprofits to resources in our community and look forward to launching our first **RESOURCE FAIR** in 2020 where nonprofits can meet face-to-face with local and regional businesses and consultants.

As you will see inside these pages, there is a wealth of expertise and talent in many areas, while other categories of services are rather slim (hint..... opportunity for some entrepreneurial spirit!).

The *2020 Nonprofit Resource Directory* is available on our website and you can also call or email the NPC for a direct referral in any category. Your questions often encourage us to research even more options for you and your fellow nonprofits.

Kudos to Elizabeth Stone, NPC's Marketing Manager, for pulling this entire project together. We appreciate your feedback about this directory and any of our other programs and publications. Simply email info@npcberkshires.org with comments or suggestions.

Happy New Year!

*Helping nonprofits raise more money by maximizing the efficiency
of Donor Management Systems*

With literally hundreds of donor management, fundraising and constituent relationship management systems on the market, it can be a daunting task to research and select the right database for your nonprofit. Your Donor Management System (DMS) is a key component of your fundraising and development strategy. Finding the best fit based upon your organization size, number of constituent records, and budget, plus your growth plan, are crucial considerations.

With more than 30 years experience both designing databases and helping clients use their DBs more effectively, I can help you find the right system for your organization. I've done the research, tested and used the systems and taken the mystery out of the decision for you. In addition, I can help you with the conversion or upgrade process.

Call on Amy Chin at Berkshire Net Results for all your database needs.

ROGER MAGNUS RESEARCH

Do you really know your donors?

Do you know their backgrounds and interests to talk to them better? Do you wonder if some of your donors can give more – much more? Have you ever evaluated your donor pool to find untapped giving? Are you interested in identifying new potential donors?

Roger Magnus Research can help you find information to answer these essential questions better – much better. My firm can also create a filtered list of relevant foundations tailored to your nonprofit's activities and mission, provide Census data for grants, and assist with other information needs your nonprofit may have.

I have 20 years of experience finding answers, solving problems, and making a difference through research, analysis, and sometimes sheer persistence. Why don't you give me a try?

"Roger was able both to create detailed profiles of key supporters, and deliver helpful data points across a broader list...a great help."

NONPROFIT CENTER RESOURCES

The Nonprofit Center of the Berkshires helps nonprofits connect, learn and grow. A one-stop resource for the sector, the NPC provides educational workshops, informative publications, referrals, networking events, coaching and more. We also represent the Berkshires on the board of the MA Nonprofit Network and bring regional experts and providers to the area on your behalf.

COACHING

Find affordable technical assistance in fundraising, marketing, grant writing, strategic planning, and nonprofit management available on an affordable fee-for-service basis. The NPC has a pool of qualified consultants.

CONNECTING

Join the NPC ListServ to post announcements and receive notifications of job openings, educational opportunities, articles, resources and more. To join the list serve, send a blank email to: Berkshires-subscribe@missionbasedmassachusetts.net

Sign up for NPC newsletters and email notifications on npcberkshires.org.

Join the NPC Facebook Group "Nonprofits of the Berkshires" (@npcberkshires) to connect with colleagues in Berkshire nonprofits.

Connect to practical information on our website in the RESOURCE section. You'll find links to reference materials, statistics, whitepapers, benchmark data, planning calendars, articles and infographics.

Attend roundtables, meet & greets and networking events like the Berkshire Nonprofit Awards (May 19, 2020)

PR SERVICE

The Nonprofit Center of the Berkshires is happy to help get the word out about your organization. From press releases to pitches, social media support to community outreach, let us know what you need and we'll find an affordable way to serve your needs.

REFERRALS

The NPC can help you find just the right business or consultant, answer questions such as “how much do Executive Directors make in Berkshire County?” and advise you on a host of issues such as where to hold a meeting or post a gala event or job listing, and how to fill out 501(c)3 paperwork.

WORKSHOPS

The Nonprofit Center provides workshops on popular topics such as program evaluation, starting an endowment, donor databases, grant writing, cyber security, Social Media hacks, telling your story, annual appeal writing etc. We also present a full-day Nonprofit Boot Camp.

CONNECTIONS MAGAZINE (digital)

Launched in 2017, Connections Magazine is the only publication devoted to nonprofit content. It features different themes, varied voices and lots of practical information. In 2020, it transforms from a black and white trade publication to a monthly email format supported by local business sponsors for the benefit of hundreds of local nonprofits.

GIVING BACK: Your Guide to Philanthropic Opportunities in the Berkshires (digital and print)

The Giving Back guide lists 1,000+ Berkshire nonprofits by category, and is designed to connect these organizations to people who want to “give back” either as volunteers or donors. Listings are free for all Berkshire County nonprofits. This annual publication also includes full-page profiles of nonprofits, articles, advertisements, inspirational quotes, and more. The Giving Back guide is distributed free throughout the county in popular community gathering places such as coffee shops, banks, markets, and restaurants.

BENEFITS SURVEY

Berkshire nonprofit organizations interested in knowing more about what other nonprofits offer in terms of benefits can purchase our exclusive report online for \$35 (npcberkshires.org/product/nonprofit-benefits-survey/). By studying the results from this survey, nonprofits can design packages to help attract and retain the kind of employees who can help them carry out their mission and take their organizations to the next level.
