

The Breakfast Club

A priceless sponsorship experience for only \$250!

The Breakfast Club consists of very cool local businesses and individuals who want to show their support for everyone who works in the nonprofit world.

Your support will be noticed! You love nonprofits and you don't care who knows it!

We'll shout your name from the social media rooftops as well as in print ads, email blasts, programs, signage and more.

Your support is very critical! It enables us to host nearly 300 people for a celebratory awards breakfast. You'll help us honor 7 extraordinary people who have demonstrated their commitment to making our community a better place for all. Each of them will be profiled in a Berkshire Eagle supplement that mails to 20,000 households! That's a lot of recognition for them and you, since **your name will also be mentioned in this unique tabloid.**

Even better ... 50% of your sponsorship dollars will support our new Philanthropy in the Schools Curriculum re-launching in the fall 2023 after a long absence during the pandemic.

This unique program teaches students about giving, turns each student into a mini philanthropist so they can experience it directly, and then allows them to reflect on their impact on our community.

It's empowering and you will help create the next generation of volunteers and donors!

But wait, there's more! Your Breakfast Club contribution entitles you to a **FREE TICKET** to the event at Berkshire Hills Country Club. Come cheer on your favorite nonprofits and mingle with their board members from the business community. Everyone looks great at 8 am and you'll appreciate the undeniable LIFT you'll experience from learning about all the good work going on in our community and all the great people doing it.

You can almost smell the coffee!
