Still writing checks to charity?

There might be a better way to give more to your favorite cause and *less* to the IRS.

If you're taking **required minimum distributions (RMDs)** from your retirement accounts, **selling a business**, or **managing a windfall**, charitable giving can do more than simply support the causes you care about — it can save you thousands of dollars!

At Berkshire Money Management, we help philanthropically-minded neighbors like you create strategic giving plans that match your values, minimize tax liability, and allow you to give generously without giving it all away.

Schedule a free consultation today at berkshiremm.com/giveback and discover how your family's generosity can do even more for our community.

Investments in securities are not insured, protected, or guaranteed and may result in loss of income and/or principal.

We live in a beautiful place which inspires giving back. This “Giving Back” guide contains a directory of over 1,000 Berkshire nonprofits and more in-depth profiles of 100 beloved organizations.

An indispensable resource, the guide empowers individuals to make informed decisions, maximize impact, and enrich their lives through philanthropy and volunteerism.

This year, we’ve given food pantries their own special section in the directory to make it easier for donors to support food security in our community. We’ve also upped the number of free copies to be distributed to 16,500, and are proudly printing locally.

Our advertisers and generous sponsors, including the Commonwealth of Massachusetts, make all of this possible. And our media partner, *The Berkshire Eagle*, makes sure over 15,000 subscribers get their free copy of the Giving Back guide tucked into their newspaper. Anyone and everyone can also download a copy free at npcberkshires.org.

We thank everyone who donates their time, talent and treasure to Berkshire nonprofits!

The Right Tools

Having the proper tools at the right time can be amazing. Metaphorically speaking, non-profits rely on your empathy, time and contributions in order to make a difference.

Each of us possess tools that can help. Though we may not hold all, what matters is that each of us offer our talent, time and resources to help others in times of profound need.

The need is critical, now more than ever. Together, we can bring out our best selves.

CONNECTING ORGANIZATIONS TO RETIREMENT®

The Massachusetts 401(k) CORE® Plan for Small Nonprofits

Attention Berkshire nonprofits! You are invited to learn about a state sponsored retirement plan that may be available to you if you have 100 or fewer W-2 employees.

The Commonwealth appreciates all the great work you do, and they also know it can be a challenge to find a quality, affordable retirement plan. That's why they created the Massachusetts 401(k) CORE Plan. The Office of the State Treasurer and Receiver General, as sponsor of the CORE Plan, assumes most administrative and investment responsibilities, reducing the burden on participating nonprofit employers.

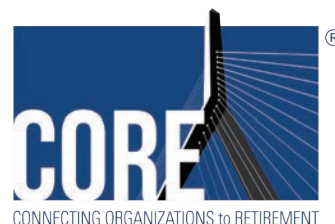

Most people agree that offering employees a retirement plan is an important and effective way to help attract, retain and reward key talent. We know your employees are your greatest asset and investing in them helps build strong organizations and strong communities.

THE POWER TO GIVE.

Interprint's Palsao is a decor designed and printed to resemble the grain of tropical walnut trees native to Malaysia. Printed decor is then laminated to engineered boards used in furniture and cabinetry. Sourcing materials surfaced with decors like Palsao, instead of solid wood or veneers, reduces the demand to harvest tropical forests.

MISSION

To restore the will to live and thrive - at Love of T we believe that anyone experiencing suicidal thoughts, when supported, can lead a beautiful and fulfilling life.

PROGRAMS & OFFERINGS

Love of T believes that the solution to Berkshire's behavioral healthcare crisis is through providing peer support programming. A peer specialist is someone who shares the lived experience with having a psychiatric diagnosis and/or addiction. Studies show that when individuals work directly with a peer specialist, hospitalization rates go down, in-patient services go down, self-stigma goes down, and the individual shows an overall increase in empowerment and hope. Peer-specialist programs are an effective strategy to engage with people that traditional health services fail to reach.

Our goal is to reach everyone in Berkshire County who is navigating suicidal thoughts and connect them with a peer specialist. All of Love of T's programming is free.

New England Musicians Resource Fund

1337 Massachusetts Ave #293
Arlington MA 02476
info@nemrf.org | nemrf.org

MISSION

New England Musicians Resource Fund is committed to furthering high quality music performance in New England by investing in and advocating for the professionals whose talents bring the music alive.

When Michael reached out for financial relief, his story stopped us in our tracks. A celebrated harpsichordist and pillar of the early music community, he suffered a devastating stroke just days after his December concerts. We knew that our typical grant was not enough, so we expanded our support. This is why our rainy-day fund exists: for musicians with nowhere else to turn. With help from our community, Michael received an emergency grant to cover lost wages, medical costs, and basic needs during recovery. Your donation to NEMRF makes a real difference—for Michael and other musicians facing a crisis. Every gift matters.

PROGRAMS & OFFERINGS

NEMRF serves as a vital safety net for freelance musicians facing unexpected financial hardship. Whether the crisis is personal, professional, or medical, our mission is to step in when it matters most. As we mark the five-year anniversary of our founding and look ahead to the next decade, we take pride in the meaningful impact we have made by providing targeted and compassionate support to the artists who keep our cultural life vibrant. Today, NEMRF offers direct financial grants, access to mental health services and legal assistance, and professional development workshops.

We are proud to support our music community, one musician at a time.
